

Whether you are building ...
 ~ your first home,
 ~ a home for your growing family,
 ~ your ultimate luxury home,
 ~ your retirement home,
 ~ an addition or remodeling,
 we will transform your ideas into a practical, economical and beautiful living space.

From planning to the finishing touches, your custom home will be tailored to your individual desires and needs. It will be a home that complements its surroundings and will reflect perfectly the way you want to live.

We're concerned with every aspect of your construction project, and our efficient staff will keep everything running smoothly while always working closely with you.

A tradition through the years...

A Design And Build Construction Company

The *Blueprint* to your *Dreams...*

Offering CAD computer design services, we will transform your ideas to satisfy your functional needs and square footage requirements while staying within your budget. We'll customize a home design specifically for you – reflecting your unique personality. A home filled with fine details to enhance your quality of life and ideas that are an expression of your personal taste.

Trust...
Something you can
Build On...

Choosing the right builder is the most important decision you will make concerning the construction of your home or commercial building. Call Ken Otke Construction Company for more information on our design / build process. We will give you detailed estimates and our commitment as you invest in your future. We'll help you create a home or office that you will be proud to call your own. This is the first step toward making your

*dream
a reality!*

Built on Strong Relationships...

We pride ourselves on a job well-done. We are known for our commitment to our clients, and we are especially proud of the repeat business we have enjoyed over the years.

Our focus is on customer service and satisfaction throughout the building process. Our comprehensive warranty program satisfies our client's expectations through the completion of your home and beyond.
